25X1A6a

TO : Chief, [redacted]

25X1A2g FROM : Acting Chief, [redacted] Info: Chief, FE Support Base, [redacted] 25X1A6a

SUBJECT: GENERAL - Delegation of Authority
SPECIFIC - Disposal of Controlled Materiel

8 OCT 1956

25X1A6c REF : (a) [redacted] dated 6 August 1956
(b) dated 24 January 1956
(c) dated 13 September 1956
(d) dated 31 January 1955

ACTION REQUIRED: Disposal of excess materiel in the field.

1. Delegation of authority set forth in paragraph 3 of reference (b), amended by reference (c), is further amended to include Recorders and Recorder/Reproducers. This supercedes reference (c).

a. DISPOSAL OF EXCESS PROPERTY

25X1A6a

Authority is granted to the Chief of Station, [redacted], to make necessary technical determination and authorize the disposal of excess materiel, as categorized below, within the [redacted] Station area. 25X1A6a

(1) Materiel Groups I and VI are specifically excluded.

(2) Materiel Group II other than Automotive and Marine Spare Parts and Accessories and Minor Engines are excluded.

(a) Minor engines shall be considered, gasoline or diesel, not exceeding four cylinders, having 12 or less SAE rated (taxable) horsepower as differentiated between INDICATED and BRAKE horsepower.

(b) Engines removed from parent equipment, without replacement, which would render the unit inoperative are excluded.

(3) Materiel Group V other than Recorder and Recorder/Reproducer Units, which when determined obsolete and/or uneconomically repairable may be cannibalized and the remaining components disposed of by appropriate accountable property officers, is excluded.

(4) All other items within technical cognizance of KURIOT, regardless of materiel groupings are specifically excluded.
